Newsletter 2

15th September 2017

Dear Parents and Carers,

What an amazing start we have had to the new school year! We are so proud of all our children, who have settled into their new classes and made a great start with their learning.

This week has been a week of trips! Violet class spent an exciting day at the York Chocolate Story to support their work on their very yummy topic this half term. Indigo, Blue and Green classes have visited Richmond Castle as a launch of their history topic on castles. Our first Staying Healthy group enjoyed a trip to Tesco to learn all about foods. Lots of fun and learning were had by all. Visits to Leeds Armouries and the archaeological dig at the former prison site in Northallerton are taking place before the end of the month, again to support our history work this term.

On Tuesday 19th, we have an exciting day for all of the school with a visit from the wonderful people at Pobble (www.pobble.com). Pobble uses research-based strategies and multi-media to make writing exciting for all children. Pupils have the opportunity to leave feedback on others' work, as well as receive feedback on their own work from the Pobble team. You too can view your child's writing - just fill in the permission slip which went out this week, adding your email address and Pobble will email you every time your child uploads some work.

Parent information meetings will take place during the next few weeks (dates and times overleaf). Please do try to attend these short meetings to meet staff and find out about class routines and expectations.

Yours sincerely
Ruth Tromans and Susan Gill
