## September 21st 2018

Dear Parents and Carers,

The new term feels well and truly underway now, with all our classes settled into their routines and working hard on their learning.

This week, several class information meetings have taken place after school, where parents can find out about the routines and expectations in each class. Meetings with Miss Rogers, Miss Smith and Miss Armstrong are being held next week. If you have missed the meeting for your child's class, please pop in to speak to the teacher. They will be able to give you the important information you need to support your child with their learning.

Almost all our parents are now signed up to ClassDojo, so thank you for the really positive response to this. We are now sending an increasing number of messages and reminders on ClassDojo, and those parents not connected will miss this important information. If you still need help signing up, or if you have any queries or concerns about ClassDojo, please speak to your child's teacher, or to Mr Simpson.

We are currently planning lots of new and exciting activities as part of our 'Year of Wonderful Words'. Learning new words and developing a good vocabulary is a crucial part of every child's development. Very soon, we will be sending information out for parents about how you can help your child develop their vocabulary through playing games. We are also planning a 'Wonderful Words Parade', with lots of opportunities for fun, games and costumes. Watch this space!

Have a very good weekend.

Yours sincerely,  
Susan Gill
