Dear Parents and Carers,

What lovely autumnal weather we are having in the last few weeks of this half term - long may it last!

I can hardly believe we are almost at the end of the first half term of the year and what a busy one it has been. This week alone we have had a group of Y6 pupils continuing with their bikeability training, the visit of the school photographer and all children taking part in Judo sessions. We have also fitted in an enormous amount of work and I have been particularly impressed by the reading I have heard from our year 1 children and the writing our year 5 children have done for me this week. Well done everyone.

Our year 5 and 6 pupils have done us proud once again at the cluster Tag Rugby competition, coming first and gaining gold medals. The team now goes through to the Hambleton finals on 16th November. What a great start to the sporting year!

We are all looking forward to our Wonderful Words Parade next Thursday. All the children will be bringing home a costume design for their chosen word. If you need any further information, or help with materials etc, please have a chat with your child's teacher. Make sure you look at Class Dojo for some photos of the big day!

Finally, I hope you all have a very good weekend.

Yours sincerely,
Susan Gill

Alternative to Home Made Packed Lunches

Mr Burn will be trialling the School Made Packed Lunches from Tuesday 6th November for the half term up to Christmas. Thank you to everyone who return the preference slip to help with the survey. The aim is to increase the overall number of children having a school lunch rather than children who already have a school lunch moving over to the have sandwiches. On average we currently serve 160 meals per day but we are looking to increase this to around 190 per day to be able to maintain the hours the kitchen staff work. Should the increase not materialise then the sandwiches will be dropped from the menu in the New Year.
