DISABLED PARKING

Please can I ask that you only use a disabled parking bay if you have the person with you for whom the blue badge applies. We only have 2 spaces and therefore need them for those children/parents/carers who themselves have the blue badge.

SCHOOL PARKING

Thank you for helping keep our children safe outside the school gate. Parking on pavements seems to have greatly improved, allowing our school families to walk safely to/from school.

SMOKING/VAPING ON THE SCHOOL SITE

Please note, we are a no smoking/vaping school site which includes the school car park. Many thanks.

YEAR 5 BIKEABILITY

Our year 5 children have been taking part in Bikeability this week; learning to ride safely on the road, which is a vital life skill to help keep them safe. They have been learning to make safe observations, take up the right position in the road and signal to other road-users. The instructors both remarked on how polite, safe and brilliant at taking on board the instructions the children were. Next week they have their second session, which will see them being assessed in all the safe riding and manoeuvres they have learned. Successful completion of the course will result in them receiving a certificate.

Yours sincerely

F. Sharp
