It has been such a hot day today, so one class use the opportunity to do a science experiment to see how quickly their water puddle evaporated. We also had some fun at lunch time creating a fine mist of water from the hose pipe and letting the children run underneath it, there was a lot of screaming and enjoyment and it was great to have some fun in the water.

SOCCER AID DAY FRIDAY 27TH JUNE

As a Rights Respecting School, we are delighted to be taking part in Soccer Aid this year.

On Friday 27th June, our school council will be helping to host the UNICEF Soccer Aid Playground Challenge, and we very much hope that you will join us in supporting this active, fun and educational event. It is a great opportunity for our pupils to learn about, and raise money for, children in other parts of the world.

What is it?

The Soccer Aid Playground Challenge will encourage pupils to kick, bounce or carry a football around an obstacle course they have designed in the school playground, whilst wearing their favourite football or sports kit. The children are invited to arrive in school in their football or sports kit on the morning of the 27th June and wear it for duration the day.

How can you help?

In return for a small donation (We suggest £1, but all donations will be gratefully received) your child will join the rest of the school in the Soccer Aid Playground Challenge to help UNICEF's vital work for children whose basic rights are not being met. To top it all off, the UK government will match every £1 our school raises. If you could make your donations via SchoolMoney that would be much appreciated.

Why are we doing it?

By taking part in this important event, we can help UNICEF provide life-saving food and vaccines, as well as life-changing education and support for children around the world. To find out more about UNICEF's work for children in danger, visit unicef.org.uk

LONDON PICS AND THANKS

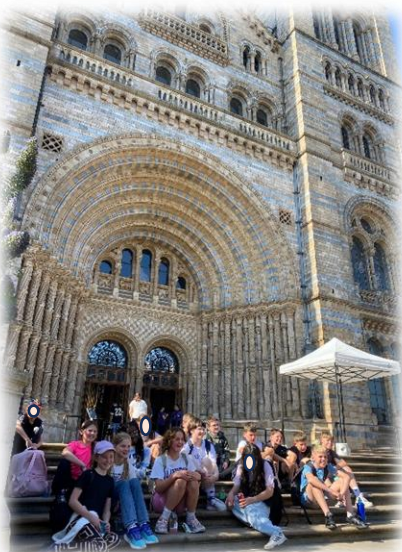

Our year 6 children have had an amazing time in London over the last 3 days. They set off early on Wednesday morning and have packed in visits to the Science museum, Natural History Museum, the London Eye, a cruise on the Thames, the Tower of London, Dinner at Hard Rock Café, a performance of the

Lion King and finally a visit to the RAF Museum for some war time workshops. I think they will all be very tired after such an active 3 days and the London heat.

A huge thanks to Mr Paterson, Mr Fenn and Mrs Perez who accompanied the children on this visit, for giving p time with their families so our children can have amazing opportunities like this. Thank you also to the staff at school for covering in their absence.

We will find out what the children and staff think when deciding whether we do this visit next year.

Here are some of their pictures below:

Have a lovely weekend whatever you have planned.

Yours sincerely

Mrs Fiona Sharp
