Dear Parents/Carers,

Welcome back to a new school year and a very special welcome to all of our new children and families. I hope you enjoyed a lovely summer break and were able to spend quality time together with friends and family.

We have been so impressed with the calm, settled, and focused way that children have returned after the holidays. They have come back looking smart in their uniforms and well prepared for the day ahead -thank you for your support in this. Our new start time procedures have also helped children to head straight into class and quickly settle into their learning.

Our Reception children have made a wonderful start, arriving each morning with big smiles and plenty of enthusiasm for their learning. It has been lovely to see how quickly they are becoming part of our school community.

The children have also been excited to discover the improvements made to the school over the summer - and there are even more to look forward to in the coming weeks!

We are delighted to welcome new staff members to the Broomfield family. Mrs Hall who has been fantastic teaching Year 2 and supporting them in their learning adventures and Miss Lycett has made a brilliant start leading our brand-new preschool, opening up the Broomfield family to its youngest learners. We continue to send our very best wishes to Mrs Sharp and look forward to welcoming her back once she has made a full recovery.

NAMING ITEMS

Please ensure that names are on items of clothes and packed lunch boxes. When children remove jumpers, if they are found and named we can return them to your child, otherwise they go in the lost property box in the main entrance.

More importantly too is that **packed lunch boxes must be named**. The lunch boxes go on a trolley in the hall and there are often some that are duplicates. We cannot risk a child eating the wrong lunch due to allergies. We will be monitoring these next weeks to ensure they are labelled. Many thanks.

APPROPRIATE CLOTHING FOR ALL WEATHERS

This time of the year, the weather can be unpredictable, and rain can follow sunny days. Please can children have raincoats and/or warm coats appropriate for the weather conditions. We have had a few occasions this week when children were not prepared to go out at lunch or break when it was wet and it is vital children get out for fresh air and a run around when they can. Many Thanks

TERM DATES

The term dates are on the school website under the Parent Information Tab – Term dates. Please be mindful of these dates when booking holidays especially with the new government guidance regarding attendance.

CLASS DOJO

This is an excellent way of communicating with school downloaded free onto your phone. All our communication is done through this so please do call at the office if you are struggling to access it. Please be mindful that teaching staff rarely access Dojo messages during the teaching times of the day, (they are busy teaching), therefore please contact the school office if you have an important message to pass on that day.

FRIDAY CELEBRATION ASSEMBLY

On a Friday we have our celebration assembly. Children can bring certificates, trophies etc that they get outside of school and share them in the assembly. There are also lots of certificates we give out from school. We alternate between KS1/KS2 each Friday. Please see the weekly diary above to know which week it is. It is always wonderful to see the many varied things our children do outside school and share in their success.

Yours sincerely,

Mrs Claire Lamb
Arete Primary Lead

Mr David Fenn
Deputy Headteacher
